Water Quality Alert Update

Mayor
Charles K. Wise

Regarding: Update to previous Alert and Advisory

FOR IMMEDIATE RELEASE TO RESIDENTS AND BUSINESS

Council
Nelson R. Embrey
Brian M. Garvine
Todd M. Henson
Randy S. Loveless
R. David Rainey
Tracie N. Sorvillo

We want to reemphasize the water is safe for drinking purposes. The iron filters and ion exchange softener filter units are now back on line. We are monitoring daily (testing) iron, Manganese, and hardness within the distribution system and plan to conduct lead and copper monitoring since some treatment processes were previously bypassed. Lead and copper tests monitoring will be conducted within the next two weeks. The purpose is to ensure continued safety of the water.

Clerk-Treasurer
April Grube

The hardness and darker colored water will dissipate (rust (iron) particles from the inside of water mains). Rust will stain light colored laundry. Please be sure that both your cold and hot water are rust-free before you launder any whites. In the event that such staining occurs, there is a remedy. Most grocery and hardware stores carry laundry aids, which remove rust stains. We have a Rust Stain Remover at the office called "Super Iron Out". If you happen to get this message late, come to 200 East Station if you need to remove iron stain from your clothing. We will be doing targeted flushing of Fire Hydrants early next week. This should also help dissipate the discolored water.

Mayor Charles K. Wise

Chief of Police
Douglas E. Clark

Water Conservation Advisory Over

Tax Administrator
Patricia S. Cavinee

The water leak has been repaired and water levels in our three water towers have been restored to appropriate levels.

Village Administrator
W. Franklin Christman

The Village of Ashville would like to express our appreciation to the following for their assistance:

Service Superintendent
David E. Ballard

- South Bloomfield – Joe Allen, Utility Operator and Government Leaders
- Commercial Point – John Thompson, Utility Operator and Government Leaders
- Harrison Township Fire Department – Chief Eric Edgington and Staff
- OhioEPA – José Quiñones, Bridgette Marchio, and Mike Santone
- HD Water Services - Bob Hardin
- Control and Instrumentation Services - Dan Dickerson
- Gleason – Jim Wall
- Ashville Staff – lead by James Welsh and the Utility Staff, Service, and Office Staff
- Ashville Police Department – Chief Douglas Clark and Staff
- Digger McCray Excavating – Randy McCray and Staff
- The Media – Communicating to the public
- And the Village of Ashville Residents and Business that conserved water during this event.

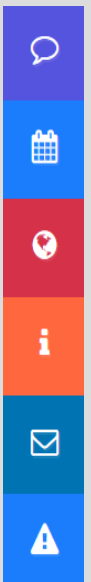

All of these individuals made a difference in the successful resolution of this issue. Detailed list on page two.

If there are any changes, you will be notified by our website, Facebook page, radio, TV, and Newspaper.

For more information, residents may contact their Water Department at 614/214-9223 or 740/207-1842.

Sincerely, *Jim Welsh*, Licensed Water Operator
cc: Mayor Wise, Village Council, Village Administrator
