The Recreational Trails Program & Clean Ohio Trails Fund Grant Program Information and Application for Ohio Applicants

Local Public Participation in Formulating the Proposal

Public or citizen participation at the local level should be included in planning the project. This can be accomplished via advertised public meetings for the project (*Note: public meeting must be for the sole purpose of discussing the project proposed in the application*), review by advisory councils and boards, public notices, news releases, completion of a publicly approved parks and recreation or trail plan, citizen surveys, etc. Please describe the public/citizen participation associated with your project. Provide proof of the public participation. Examples are public notices; official sign in sheets from meeting(s), meeting notes, survey results, survey questionnaire, meeting summaries etc. Please provide copies of any of these documents if applicable. For maximum consideration please provide any copies of meeting(s) sign in sheets, public notices, meeting summary document. If a survey was given please provide a copy of the survey instrument, number of survey respondents, and survey results.
