Mr. ROGER CLARK	Present	Mr. DARRYL WARD	Excused

MINUTES OF PREVIOUS MEETING: Randy Loveless moved, seconded by Roger Clark, to approve the minutes of the August 2, 2021 Regular Session as presented. All votes were yea.

GUEST(S):

- Mark Stewart complained about the noise level of the exercise classes at the park. He said the music is louder than necessary and is disruptive to the residents who live near the park. Council instructed the VA to send a letter to the exercise instructor and invite her to the next Committee of the Whole meeting to discuss the situation and hopefully work something out.
- Walter Hardbarger claims the alley at 160 West Main Street was moved two feet onto his daughter's property as a result of the 316 paving project. The VA advised Mr. Hardbarger that a survey was done prior to the project and that where the alley is now is where it should have been all along but, over time, it has shifted. Hardbarger said the survey done by the Village is wrong and that his daughter has a survey proving it. Council asked Mr. Hardbarger to provide a copy of his daughter's survey for them to review and they would go from there.
- Robert Wilt of Kraft Drive said he appreciates that the Street Department attempted to fix the potholes with cold patch but it wasn't done well. Wilt asked when a permanent solution can be expected for the corner of his yard. Adam Kehoe said he will look at it that week.
