

VILLAGE OF ASHVILLE
COMMITTEE OF THE WHOLE
JANUARY 10, 2022

Mayor Wise called the meeting to order at 6:30 PM. Answering roll call were Roger Clark, Nelson Embrey, Steve Welsh and Matt Scholl. David Rainey and Randy Loveless were excused. Also present were Franklin Christman, Jim Welsh, Adam Kehoe, Chris Tebbe, Morgan Graff, Jason Bartholow and Laci Moore.

MINUTES: Nelson Embrey moved, seconded by Roger Clark, to approve the November 8, 2021 minutes as presented. All votes were yea with the exception of Steve Welsh and Matt Scholl who abstained.

VILLAGE ADMINISTRATOR'S REPORT: Franklin Christman gave project updates and reviewed current legislative items. Roger Clark asked the VA if he had gotten clarification on the acreage discrepancy in Ordinance 2022-01 for the annexation of the Clifton Brothers property. Christman said that the county commissioners department entered the acreage wrong on one form but it had been corrected and the ordinance now has the correct acreage description. Christman reported that he had received the Village's annual liability insurance renewal quote and that legislation was ready for the new impound lot at the Police Department. Nelson Embrey asked the VA to check with insurance agent to see if we need to review our cyber-security coverage and requested the impound lot legislation go to the solicitor for review before going to Council.

COUNCIL COMMENTS:

Nelson Embrey asked how long it will take to hook-up to Earnhart Hill once the agreement goes into effect. Jim Welsh and Chris Tebbe said it will take about a year which is plenty of time before the need to connect is needed. Matt Scholl asked if the Earnhart Hill connection will provide enough water for upcoming developments. Jim Welsh said it will buy enough time if needed. Franklin Christman said that a presentation scheduled for the January 24th meeting will provide some solutions to pending water availability concerns.

Nelson Embrey moved, seconded by Roger Clark, to adjourn. All votes were yea and the meeting adjourned at 6:59 PM.
