## Report 5

Regarding: Director's Final Findings & Orders NPDES Pickaway County 4PC00005  
Reporting on SEP Progress

Dear Enforcement:

The Village of Ashville is responding to the Director's Findings and Orders involving the Special Environmental Project (SEP):

- |    |  |
|----|--|
| 8. | In lieu of paying the remaining thirty thousand dollars (\$30,000.00) of the civil penalty, Respondent shall implement a supplemental environmental project ("SEP") consisting of spending thirty-five thousand dollars (\$35,000.00) to replace and/or install some or all of the following components of its potable water system. The SEP amount may include the cost of equipment and its installation, but shall not include any other costs or fees associated with this project. The SEP shall be considered complete upon Respondent's spending thirty-five thousand dollars (\$35,000) for appropriate equipment and its installation in compliance with Order No. 8 and Respondent's compliance with Order No. 10. Installation of components shall be done in the order listed and in accordance with the following schedule: |
| b. | Within five (5) months of the effective date of these Orders, provide a standby generator for the WTP.   |

The enclosed documents will involve the fifth reporting on the SEP and will items used to complete item 8. b. On October 8, 2014, RSC Auto Repair completed work on the Generator that will allow it to be used at the Water Plant. The invoice and voucher for the work done is enclosed. The following is a running total for expenditures for the SEP:
