Building Department IMPORTANT INFORMATION REGARDING CONTRACTOR REGISTRATION

December 12, 2013

Dear Contractor:

Ashville provides Residential and Commercial Building Inspections within the Village of Ashville. I want to thank all the contractors who have contributed to improving the housing and building structures through your improvements, additions or repairs. We look forward to a positive working relationship.

Please note: Counter hours for the Building Department will be from 8:00 am until 4:00 pm.

- The 2014 Contractor Registration packet is available on line. You can download the application from the village website at www.ashvilleohio.net/gov.htm under "Village Departments" "Planning & Zoning/Building". If you still want the village to mail or fax you a packet, please contact the Building Department at 740-983-6367 or you can pick one up at the counter.
- It is the responsibility of the contractor to have the approved plans on site. The inspectors have been instructed to walk off the job if the drawings are not there for review. You will be required to reschedule your inspection and may be subjected to re-inspection fees.
- Due to construction work occurring in the Village without permits, we are performing random inspections on the weekends. We are looking to eliminate contractors that come in over the weekends or work outside of the normal business hours that we are inspecting. Anyone found working without permits or lack of registration will be subject to fines. Registered contractors working without permits may have their license suspended or revoked.

Our goal is to protect the residents and ensure that construction projects are being monitored and the building and housing codes are being followed.

Dale Hoover,

Building Inspector
