**VILLAGE ADMINISTRATOR'S REPORT:** Franklin Christman said he'd received a complaint about the storage unit at Dollar General. He said he is working on an ordinance to cover the usage of storage units. Christman also noted that Planning & Zoning will be meeting on March 31 to look at plans for a new development and advised Council to review the plans and think about things they would like to see included in the development such as a park, trails, etc. The VA said he had received a bid for flow monitoring. Mayor Wise asked if we are at the point that we need to consider having an engineer on staff full-time. Christman said we are not.

**MAYOR'S REPORT:** Mayor Wise said he appreciated how the community supported village staff during the snow storm and water line breaks. Wise added that he was driving through communities near Ashville and liked their streetscapes and wished he could do that for the village but doesn't know how to cover the cost involved to do it. Wise asked the VA what the time-frame is on the new meters being installed. The VA said once the new-hire in the Utilities Department starts, he will be working on the installations.
