

SPECIAL SPECIFICATION

SPECIAL SPECIFICATIONS

SECTION 1 SPECIAL SPECIFICATIONS

Special Specifications are especially applicable to this contract. In case there is any actual or apparent discrepancy or conflict between the Special Specifications and other specifications or provisions, contained herein, the Special Specifications shall take precedence and shall govern the work under this contract. Otherwise both the Special Specifications and other specifications shall have the same force and effect.

SECTION 2 INCORPORATED SPECIFICATIONS

For the purpose of standardizing material and construction procedures, the State of Ohio, Department of Transportation, Construction and Material Specifications, dated January 1, 2012 and any subsequent revisions or modifications, (hereinafter ODOT Specifications) are hereby incorporated in these specifications by reference and said specifications shall have the same force and effect where cited as if actually reproduced in full herein.

SECTION 3 NOTIFICATION OF CONSTRUCTION

The following agencies shall be notified one week in advance of the start of construction:

AGENCY	TELEPHONE
Police Department	740-983-3112
Fire Department	740-983-4115
Public Utilities	740-983-3412
