THE VOLUNTEERS OF THE U.S. ARMY FIELD BAND

The Volunteers is the United States Army's premier touring show band. Since its inception in 1981, this talented group has performed in all fifty states, Puerto Rico, Central America, and Europe. The band seamlessly mixes jazz, fifties favorites, and Motown classics at family-oriented shows while also focusing on rock, country, and pop hits at concerts for young Americans.

Audiences nationwide have been captivated by these energetic shows. One young woman captured this excitement in her response: "I love the music they sang, and the fact that they are in the Army—they rock!" Another fan wrote, "Their greatest talent is in their ability to connect with the audience." The ensemble regularly includes performances for senior citizens, young children, and wounded Soldiers in their tours. For outstanding support of the Army's community relations program, the members of the Volunteers have received the Army Community Relations Award of Excellence. Their "foot-stomping, heart-racing music" has won accolades during performances for Mardi Gras, the Indianapolis 500, Major League Baseball games, and National Rodeo Finals.

The mission of The United States Army Field Band is to "carry into the grassroots of our country the story of our magnificent Army." In performances across America and throughout the world, the members of the Volunteers take great pride in reflecting the excellence of all our nation's Soldiers.
