KATIE OHH

Winner of the 2013 NBC TV Show "THE WINNER IS"

*** Debut Release in 2015 ***

Produced by "RASCAL FLATTS" Jay Demarcus

8 P.M.
FRIDAY,
JULY 3

Two summers ago ER nurse and aspiring singer Katie Ohh won \$1 million on NBC's reality show and talent search "The Winner Is." Viewers were captured by her soaring voice on country songs including "Independence Day" and "Breathe." These days Ohh calls Nashville home and she's been spending time in the recording studio with Rascal Flatts' bass player Jay DeMarcus. They are working on a four song demo to land Ohh a record deal.

The Ohio native said the money she won on "The Winner Is" allowed her to make music her first priority

"The show was a complete whirlwind, and I literally went from showing up there to winning a million dollars in 10 days," Ohh said. "It was completely crazy. Even now when I'm talking about it, it doesn't seem real. "

CLARK MASON

Clark wanted nothing more than to become not only a country singer but a songwriter as well. That dream is quickly becoming a reality for him today.

In the summer of 2014, Clark released his latest EP titled *I'm On It*, the follow up to the very successful, *Running With The Night* album which quickly climbed the iTunes charts, peaking at number 30. Since that time he has gained over 60,000 Twitter followers and

fans all around the world. Scheduled to appear with some of Nashville's biggest names this summer as well as headlining multiple festivals & fairs, it is hard telling where this incredibly talented country artist will be next.

Clark has recently signed with top booking agency, WME, as well as a publishing deal with Pop Up Music in Nashville and is currently on the road to becoming a hot up and coming country star.
