Leaf Pick-up Ashville's Service Department

The Village's Leaf pick-up service begins the first week of November. It is scheduled to continue through Monday, December 5th. The exact date is driven in large part by weather and the leaves on the ground. The next newsletter issue will talk about the village's work for snow and ice removal. This usually follows leaf pick-up but they may overlap.

In the past the Service Department had a specific street schedule Monday through Friday. With the equipment we now have the entire village is checked each day.

NOTE: To be removed leaves must be taken to the street. The day to day pick-up may be

changed due to inclement weather or reasons beyond our control.

WHAT TO AVOID>>>>>>

Leaves piled in front or back of vehicles will not be picked-up; we use the ten (10) "foot rule" to prevent damage. It is also helpful not to place leaves under low hanging tree limbs because of the height of our equipment. **No brush or flowers will be picked up. Local Waste Services on Monday's Collection Day will take limbs that are bundled or weeds (flowers) that are bagged. They will also take bagged leaves.**

The size of our equipment prevents us from traveling in alleys.

If you have been missed or need to reach the Service Department call and ask for Dave Ballard, Superintendent, at the Administrative Office at 740/983-6367.

- ◆ ORDINANCE 2016-09 An Ordinance to Make Temporary Appropriations for The Next Year's Expenses and Other Expenditures of the Village of Ashville, State of Ohio, Based upon the Certificate of Estimated Resources Issued by the Pickaway County Budget Commission for the Fiscal Year Beginning January 1, 2017, and Declaring an Emergency.

History of Veterans Day

World War I - known at the time as "The Great War" - officially ended with the Treaty of Versailles signed on June 28, 1919. The fighting ceased on November 11, 1918 and is regarded as the end of the war. In November 1919, President Wilson proclaimed November 11 as the first commemoration of **Armistice Day**. The original concept for the celebration was for a day observed with parades and public meetings and a suspension of business. The United States Congress officially recognized the end of World War I with a concurrent resolution on June 4, 1926 with a recurring anniversary that should be commemorated with thanksgiving and prayer and exercises designed to perpetuate peace through good will and mutual understanding between nations. After World War II and the Korea conflict, the 83rd Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word "**Armistice**" and inserting in its place the word "**Veterans**." On June 1, 1954, November 11th became a day to honor American veterans of all wars. Later that same year, on October 8th, President Dwight D. Eisenhower issued the first "**Veterans Day** Proclamation" which stated: "In order to insure proper and widespread observance of this anniversary, all veterans, all veterans' organizations, and the entire citizenry will wish to join hands in the common purpose. In past years the Village of Ashville has observed **Veterans Day** the day after Thanksgiving. In 2015, Ashville decided to return to observing **Veterans day** on November 11, 2016.

Village Office will be closed on Friday November 11th for Veterans Day

and November 24th and 25th for Thanksgiving.

The Mayor's Column-Blue Reflectors?

Many people have been coming up to me and asking, "What are these blue lights in the road?" James Welsh, the person in charge of water operations, has been installing blue reflectors in front of Ashville's fire hydrants. The purpose is to assist finding their location at night and if a fire is being responded to by multiple fire departments. The reflectors are the same as the yellow, white and red reflectors spaced between highway center lines. However, they are positioned so cars straddle them. The unique color and positioning are meant to keep motorists from confusing them with traditional reflectors. This is something that's being done nationwide. The reflectors cost anywhere from \$1.50 to \$3.50

November 6, 2016 Daylight Savings Time
