Welcome to Ashville's Water Resource Recovery Facility

Water Resource Recovery Facility (WRRF) Village of Ashville

On Line at: www.ashvilleohio.gov

January 4, 2016

URS

Vision Statement

• Remembering our rural heritage, Ashville will be a vibrant and friendly community, offering an enhanced quality of life achieved through planning, progress and collaboration.

It will be a welcoming place where people want to live and businesses prosper.

Village of Ashville Water Resource Recovery Facility Improvements 2016 Council Meeting

January 4, 2016 6:30 p.m. DISCUSSION ITEMS:

- 1. Bids Received Dec. 11, 2015. See attached Bid Tabulation. Bid documents require award within 90 days.
- 2. We recommend that the Village award the contract to Peterson Construction in the amount of \$11,580,000 for the base bid. The base bid includes all equipment originally recommended by AECOM and approved by the Village.
- 3. We have worked with Peterson Construction on numerous projects and they are highly recommended.

AECOM

AGENDA

- 4. **Project Schedule-WRRF Phase 1:**
 - We estimate the following schedule for WRRF Phase 1 based on funding agency requirements:
 - 1) Village Submits Application to DEFA on Jan 15, 2016
 - 2) DEFA requests bond trust agreement on Feb. 1, 2016
 - 3) Village executes final bond trust agreement.
 - 4) OWDA approves project funding on Feb. 18, 2016.
 - 5) Signed Notice of Award sent to contractor.
 - 6) Preconstruction Meeting Scheduled and contract signed.
 - 7) Construction Initiated (March/April). Exact date TBD.

AECOM

AGENDA

- 5. DEFA Application Due Jan 15 or 18, 2016
 - Will require Ordinance passed by council seeking an extended term loan from the Ohio Water Pollution Control Loan Fund.
- 6. Other Items Pending
 - Negotiate, sign and record two easements.
 - Advertise and bid Phase 2 Sewer Project.
 - Arrange for funding of Phase 2 Sewer Project. Small government OPWC funding of this project appears likely. May also be possible to amend Bond Trust Agreement to add Phase 2.
- 7. Items Required Prior to Construction
 - Receive building permit approvals.
