**Re: Approval of WPCLF Application for Assistance
Wastewater Project - Effluent Sewer and Force Main Project
Project # CS390122-0011**

Dear Mr. Christman:

Your application for assistance from the Ohio Water Pollution Control Loan Fund (WPCLF) has been reviewed by my staff in accordance with Ohio Revised Code Section 6111.036 and the administrative rules promulgated thereunder. I find that your application meets the applicable requirements and therefore your application for assistance is approved.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00, made payable to "Ohio Treasurer Josh Mandel," which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission
77 South High Street, 17th Floor
Columbus, OH 43215

If you should have any questions during the implementation of your project, please contact your project coordinator in our Division of Environmental and Financial Assistance at (614) 644-2798.

Sincerely,

Craig W. Butler
Director

I certify this to be a true and accurate copy of the official documents as filed in the records of the Ohio Environmental Protection Agency.
