Ashville Vision Statement

"Remembering our rural heritage, Ashville will be a vibrant & friendly community, offering an enhanced quality of life achieved through planning, progress & collaboration.

It will be a welcoming place where people want to live and businesses prosper."

# "The Mayor's Column"

On behalf of myself, and the entire Ashville Village Council and staff, I am writing this article to express our appreciation for Brian Stewart's service to Ashville and our community. In November he was elected as County Commissioner. On December 27, 2012, surrounded by his family, Letanya and two daughters, Salem and Sidney, he was sworn in by Judge P. Randall Knece, see below.

Returning to college on the G.I. Bill, Mr. Stewart earned a B.A. in Political Science and his law degree, both at the Ohio State University. He is an attorney with the law firm of Carlisle Patchen & Murphy LLP.

His service to our community did not begin with an elected position. He is an Iraq War veteran, having served on active duty in the U.S. Army from 2003 to 2006 as an infantryman. He was twice awarded the Army Commendation Medal and earned the Combat Infantryman's Badge as well.

council has seen our village complete numerous improvements to our roadways and other infrastructure, a significant overhaul of our village website designed to provide greater transparency and information to our citizens, and many other policies which are saving taxpayers' money. Brian Stewart has been actively involved in all of these efforts.

Mr. Stewart was a strong advocate for our residents, worked well with his colleagues, and our employees alike. In many respects we will miss those attributes. Thinking beyond that immediate loss, we see an expansion of his service to a greater community and Ashville is a part of that community.

Thank You Brian!

## 2013 Ashville Projects

Ashville has a number of projects in 2013 and beyond. We will try to keep you informed through this newsletter and our website. The three images below represent three of these projects. The first is the Railroad Crossing Improvement Project from Griggs

to Station Street. The second is the St.Rt. 752 and Long Street Intersection Improvement. The third will go beyond 2013 and will be the improvements to our wastewater facility.

There will be more projects and we will update you as we are

notified as these projects are approved and scheduled. The three projects have their own webpage for updating information and for more transparent communication. Go to:

## Police Beat January 2013

Officer Partlow was promoted to Sergeant at the January 7th Village Council Meeting. Picture is Mayor Wise swearing in Sergeant Partlow. He is a graduate of the Eastland Police Academy, started his policing career with South Bloomfield, and had been an officer in Ashville since June of 2005.

Sincerely, *Chief Clark*
