**Seasonal Advice from the Village of Ashville Service & Police Department**

While the weather has been mild, we are preparing the village for winter. The goal of the service department is to maintain the safe flow of traffic. The crews work around the clock as needed for snow plowing and salt application. The snowplows will clean the streets from curb to curb. You can help the service department during sleet, hail, ice, and snow removal. This can only be done if cars are not parked along the curb. Please remove car (s) to an area that has been plowed. They can be returned once plowed.

Main and secondary roads are given first priority for plowing and salting to assure

emergency accessibility and to ease traffic congestion. Residential streets are plowed soon afterwards.

Primary Streets = Main, Long, Station, Circleville Ave., & SR 752

Secondary Streets = Jefferson, Miller, Scioto, Cromley, East, Powell, Randolph, Walnut, Plum and Park.

All Remaining Streets in Ashville

**Snow Parking Ban** - Parking is prohibited in Village Business District when snow has accumulated to a depth of two (2) inches. Signs are posted in these designated areas.

Property owners are responsible for snow

and ice removal from sidewalks in front of their property. Depositing of snow or ice onto any public street or sidewalk is prohibited. Snow must be kept on the property it falls. Snow from your driveway may not be taken across the street. Also, please keep fire hydrants and storm sewer drains clear.

If you need the Service Department, call 983-6367 and ask for Dave Ballard. He is our Service Dept. Superintendent and he will return your call. (We would like to call your attention to pot holes. If you happen to see them, please call 983-6367). Always a good source of information: [www.ashvilleohio.gov](http://www.ashvilleohio.gov).
