Ashville Vision Statement

"Remembering our rural heritage, Ashville will be a vibrant & friendly community, offering an enhanced quality of life achieved through planning, progress & collaboration.

It will be a welcoming place where people want to live and businesses prosper."

The Mayor's Column - Local Realtors' Gift

I would like to thank the Realtors of Pickaway County for selecting Ashville's Park as their June 4, 2014, Realty Care Day project. The local real estate community volunteered landscaping and painting. The flowers look great at the entrance to the park. Paint seems to make things look new again. On August 14th they also presented a check donating \$500 for the purchase of security cameras for the park.

Police Beat

School is back in session and children will be walking to school during the morning and afternoon. Please slow down and help keep them safe. Remember, school zones are 20 mph zones and are in effect anytime that children are likely to be going to or leaving the schools. Some schools are marked with signs and flashing lights. These lights are not required by law and are there as a courtesy and a reminder to drivers to slow down. We would also like to remind parents that a safety review is an important preparation for children who are heading back to school. As your young children prepare for school, don't send them out the door without reviewing the following safety tips:

SAFETY TIPS FOR PEDESTRIANS:

- Follow the rules of the road & obey all traffic signals & signs.
- Plan the safest route to school.
- Walk with a parent, friend, neighbor, brother, or sister.
- Always look both ways before crossing the street.
- Cross at intersections & at crosswalks.
- Walk against traffic if the street is without sidewalks.

Don't talk to or accept rides from strangers.

SAFETY TIPS FOR BICYCLISTS:

- Follow the rules of the road & obey all traffic laws. Remember: the rules of the road for cyclists are the same as for motorists.
 - Think ahead. Ride defensively. Anticipate drivers' actions. Establish eye contact.
 - Be visible. Ride clear of the curb. Wear bright clothing.
 - Ride in a straight line. Be consistent in your riding. Always look and signal prior to turning. Stay at least a car door length away from parked cars.
 - Use bike paths when available.
 - Always ride with the flow of traffic. Motorists aren't looking for bicyclists on the opposite side of the road.
 - Yield the right-of-way to pedestrians.
 - Keep at least one hand on the handlebars at all times.
 - Do not ride with headphones, as you cannot hear traffic, trains, or other warning signs.
- Be smart. Always wear a proper fitting helmet in good condition.

A safety review for us the Drivers - Follow the rules of the road:

- Slow down in and around school zones, cross walks, and high traffic areas near schools.
- Be on the lookout for children traveling to and from school.
- Exercise caution around buses transporting children to school.
- Expect the unexpected. Children on bicycles and on foot are often unpredictable in their actions.

Also, if you see anyone that looks suspicious around the schools or in areas where children walk to and from school, do not hesitate to report it. (Dispatch #740-474-2176).

Please help us keep our children safe.

Thank You

July 2014 Auxiliary Report

In July Officers volunteered a total of 206 hours. Many of the hours were for the July 4th Festival with a total of 164 of those 27 hours were from June. Two officers attended 32 hours of Law Enforcement training at their regular full-time employer. The Festival was another success, officers worked extra to fill in the gaps vacated by resignations and promotions.
